Our relationship with Banco Santander group

Santander International is the trading name of the Jersey and Isle of Man branches of Santander Financial Services plc, a wholly owned subsidiary of Santander UK Group Holdings plc which is part of the Banco Santander group.

The Banco Santander group operates a subsidiary model to minimise the risk of problems in one part of the organisation spreading to another. This means that autonomous subsidiaries are responsible for their own liquidity, funding and capital management.

The subsidiary model gives considerable financial flexibility while also allowing us to take advantage of the significant synergies and strengths that come from being part of a major, well diversified banking group. In particular, we benefit from the Banco Santander group's brand, products and platforms as well as their systems development capacity.

Santander Financial Services plc is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.

Santander Financial Services plc is also regulated by the Isle of Man Financial Services Authority for its branch in the Isle of Man, and regulated by the Jersey Financial Services Commission for its branch in Jersey.
Our team of professionals can offer a range of banking and savings products to meet your financial needs. You may also benefit from access to specialised wealth services and investment solutions, through other parts of the Santander global network.

We have branches in the Isle of Man and Jersey, to provide you with international access to your finances and a central home for your money. You can choose whether you would like your account located (also referred to as situs) in the Isle of Man or Jersey.
