

# Isle of Man Mortgage Rates

## Effective from 20 May 2022

Whether you're buying your first home or moving home, looking to borrow more or move your mortgage to us, we offer a comprehensive range of mortgages.

All applications are subject to status and lending criteria. This means that the amount we will lend you will depend on individual circumstances, the type of property and the amount you borrow.

All offers are subject to availability and can be withdrawn at any time. Completion deadlines may apply.

The information in this document does not contain all of the details you need to consider when choosing a mortgage. Please call us on 08000 84 28 88 to speak with one of our Mortgage Specialists.

YOUR HOME MAY BE AT RISK IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE.

# Our ranges are designed with you in mind

#### Fixed rate mortgages

The interest rate on a fixed rate mortgage is fixed for a set period of time. So even if the Bank of England base rate changes during the fixed rate period, your payment amount remains the same. After the fixed rate period finishes (see table below for details), your interest rate will change to Santander International's Follow-on Rate which is a variable rate that tracks at 3.25% above the Bank of England base rate (currently 1.00%), giving a current rate payable of 4.25%. An Early Repayment Charge (ERC) may apply if the mortgage is repaid during the fixed rate period. Please see the final page of this document for more details on the ERC.

#### Initial interest rate period

| Product                           | Initial rate period finishes |
|-----------------------------------|------------------------------|
| 2 Year Fixed (including fee free) | 31 August 2024               |
| 5 Year Fixed (including fee free) | 31 August 2027               |

#### Tracker rate mortgages

The interest rate 'tracks' the Bank of England base rate for a set period of time and can therefore change. After the tracker rate period finishes (see table below for details), your interest rate will change to Santander International's Follow-on Rate which is a variable rate that tracks at 3.25% above the Bank of England base rate (currently 1.00%), giving a current rate payable of 4.25%.

#### Tracker rate period

| Product                             | Initial rate period finishes |
|-------------------------------------|------------------------------|
| 2 Year Tracker (including fee free) | 2 years after completion     |

#### **Fee options**

Whether you're buying your first home, moving house, looking to borrow more or remortgage to us, we appreciate that it can be an expensive time. We offer the following fee options so that you can choose which option will suit you best:

#### **Standard Fees:**

- A product fee is payable. You can choose to pay this at the time you're taking out your mortgage, or alternatively you can choose to add the product fee to the mortgage. If you decide to do this you'll pay interest on this amount over the term of your mortgage, plus
- A valuation fee is payable so that the property's value can be independently assessed. This fee is payable when the survey is requested.

#### Fee Free:

- No separate product fee is payable, however the interest rate payable will normally be a little bit higher as a result.
- One free standard valuation (on a property valued up to £1.6 million) is also included in the Fee Free option. If you need to have more than one property valuation then a valuation fee will become payable on the second and any subsequent valuation requests.
- All other charges outlined in our tariff may apply.

# Representative example

A mortgage of £470,000 payable over 25 years would require 60 monthly payments of £2,129.86 and 240 monthly payments of £2,468.44. This is based on an initial fixed rate for 5 years at 60% loan to value (LTV) at 2.59% and then Santander International's Follow-on Rate of 4.25% variable (Bank of England base rate, currently 1.00%, plus 3.25%) for the remaining 20 years.

The total amount payable would be £721,667.56 (mortgage including a £999 product fee, plus £250,218.56 interest and a £225 account fee). The overall cost for comparison is 3.7% APRC representative.

This example is an illustration of a typical mortgage and its total cost.

# Other information

## What you need to know

- There are completion deadlines for all fixed and tracker rates which means your mortgage must have been fully completed by a set date.
- All products and offers are subject to availability, subject to status and can be withdrawn at any time.
- The amount we will lend you will depend on individual circumstances, the type of property and the amount you borrow.
- We require you to have buildings insurance on the property.
- Payment by Direct Debit is compulsory on all of these products.
- All APRCs in this leaflet are typical and variable and are based on a repayment mortgage.

#### Minimum loan size

£6,000

#### Maximum loan size

Refer to branch (95% loan to value maximum loan is £750,000)

#### Early repayment charge

The early repayment charge, which applies to some of the mortgages in our range, is calculated as a percentage of your outstanding balance at the time of redemption and is payable until the date shown below.

| Product      | ERC | ERC period finishes |
|--------------|-----|---------------------|
| 2 Year Fixed | 3%  | 31 August 2024      |
| 5 Year Fixed | 5%  | 31 August 2027      |

## Making capital repayments

- Additional capital repayments off your outstanding balance can be made. This is called a Capital Reduction Payment.
- On most fixed rates you can pay off up to 10% of your outstanding balance each calendar year without incurring an early repayment charge. If you want to pay off more than 10%, you may have to pay an early repayment charge. On our tracker rates you can make unlimited overpayments. A minimum amount may apply. Please contact us for more information.

# Moving your existing Santander International mortgage to your new home

- If you already have a mortgage with our Isle of Man branch and you're moving, you can apply to transfer your current mortgage to your new home in the Isle of Man. You won't pay an Early Repayment Charge (if one applies) if you transfer the same amount.
- Alternatively, you could choose a new deal from our competitive range. You won't have an early repayment charge if you have less than six months left on your existing deal at the time you apply for a new mortgage for at least the same amount. In the future, we may withdraw this offer. If you have more than six months left on your existing deal at the time you apply for a new mortgage, you'll need to pay an early repayment charge if one applies to your mortgage.

## To find out more

08000 84 28 88 if calling from a UK landline or mobile, or +44 (0)1624 641 888 if calling from overseas. Monday to Friday 9am to 5pm (UK time), except Wednesdays when we open at 9.30am.
